With regard to the Title V, Part A amounts listed for private schools, please note that the legislation requires allocations to be based on private schools that participated in the previous year. If there is any change in the private schools that choose to participate, the district must adjust the public and private school amounts proportionately to ensure that equitable services are provided to all participating schools.

* Department records indicate that this school did not participate in the Title VI program in 2001-02.
